Panther Families:

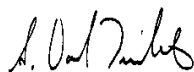

Good evening! We wanted to give you an update on our schedule for the remainder of the first semester. As you are aware, Governor Beshear has previously signed an executive order that closes all middle and high schools until January 4th. In addition, elementary schools were given permission to return to in-person instruction only if the county is no longer in red on the state map when released on the previous Thursday. On today's map, Pike County continues to be red, and therefore we will be unable to return students to in-person instruction based upon this order. For that reason, and for the purpose of giving students and families consistency, all Pikeville Independent students will remain on RED (all-virtual) until January 4th. We await further guidance from the Governor's office about the options that will be available to us at that point, and will communicate that as soon as possible. The schedule until January 4th is below:

12/7	All-Virtual	12/14	All-Virtual	12/21	Break	12/28	Break
12/8	All-Virtual	12/15	All-Virtual	12/22	Break	12/29	Break
12/9	All-Virtual	12/16	All-Virtual	12/23	Break	12/30	Break
12/10	All-Virtual	12/17	All-Virtual	12/24	Break	12/31	Break
12/11	All-Virtual	12/18	All-Virtual	12/25	Break	1/1	Break

We want to thank all of the members of our team, our students, and our families for the collaboration that goes into making these all-virtual days successful for our students. We also want to remind you that targeted assistance is allowed under the Governor's order, and your child's teacher and/or our school administration will continue to work with you on those opportunities as needed. Please also keep in mind that we continue to deliver meals to our students on Monday, Wednesday, and Friday, and we hope you will continue to take advantage of that opportunity. If you have questions, please do not hesitate to contact Mrs. Orem at Pikeville High School.

Our school district is blessed by our amazing students, team members, and community. While challenges have come our way this first semester, your positive attitudes, hard work, and passion for education have led to many great successes. It is an honor for our team to have the opportunity to educate the students of Pikeville Independent. We hope you have a safe and great evening!

Sincerely,

S. David Trimble
Superintendent
