Dawn Stewart
Counselor

Kristy Orem
Athletic Director

Student Observation Guide

Pikeville Junior High/High School welcomes graduate and postsecondary education students who need observation hours required by their coursework. To ensure the safety and privacy of our students, we have a few guidelines for you to follow when preparing to observe in our building.

1. Always use your official college email when corresponding with a teacher or the office staff.
2. The first contact should be by email with the teacher that you are interested in observing to set up a day and time. (See list of teachers below who allow observations.)
3. After you have made arrangements with the classroom teacher, please send a confirmation email the office staff to let them know the details of the observation (name, teacher, date, time). This should be sent to both Kathy.shurtleff@pikeville.kyschools.us and dawn.stewart@pikeville.kyschools.us
4. On the day of your observation, please bring two forms of ID. One of these should be your official college ID. We will copy these and keep them on file.
5. Please park in a visitor's space and leave all bags, backpacks, laptop bags, etc. in your vehicle.
6. You will check in at the front office and get a visitor's pass that should be worn at all times in the building and be returned to the front office as you leave.
7. No photos or video are permitted.

Please send any questions about student observations to dawn.stewart@pikeville.kyschools.us.

Teacher Contact Information

Ashley Adams	Algebra II, AP Statistics	Ashley.adams@pikeville.kyschools.us
